

LONDON LUTON
via ASKEY (north) VOR BPK u/s

AERO INFO DATE 05 DEC 16

GENERAL INFORMATION

1 Standard routes may be varied at the discretion of ATC.

2 Cross SLPs or 3 min before holding facility at 250KIAS or less.

3 As the lowest holding level at ASKEY is above Transition Altitude, fly at the appropriate Flight Level.

4 **WARNING: ASKEY AF36**; in the event of congestion in the Lower Enroute holding area, ATC may require you to hold at **HON VOR** for enroute holding. (Holding at **HON VOR** is left hand above. Holding axis 147°).

5 Enroute holding may be required at **BOMBO** as directed by ATC.
