

This is a detailed aeronautical chart of the Southampton and Bournemouth area. The chart features several key elements:

- Airports and Airfields:** Southampton Airport (EAS) is the primary airport, with its Class D airspace (SOLENT CTR) shown in light blue. Other airfields include Bournemouth (BIA), Bournemouth CTR, and various smaller fields like Bournemouth CTR, Bournemouth CTR, and Bournemouth CTR.
- Flight Paths and Obstacles:** Numerous flight paths are indicated by dashed lines, including SOLENT CTA-1 through CTA-8. Obstacles are marked with circles and crosses, such as D120, D127, D122C, D122A, D122B, D026, D031, D036, D037, and D038.
- Navigation Aids:** The chart includes various navigation aids like VOR (VRP), VORTAC (VRP), and VORTAC (VRP).
- Geographical Features:** The Solent, Southampton Water, and the English Channel are shown in light blue. Landmasses are in white, and the coastline is clearly defined.
- Scale and Coordinates:** A scale bar at the bottom indicates 5 NM. The chart is bounded by coordinates 5030N to 5100N and 00130W to 00200W.

BOURNEMOUTH			SOUTHAMPTON			SOLENT		
CTR	D	<u>2000</u> SFC	CTR	D	<u>2000</u> SFC	CTA-1	D	<u>5500</u> 1500
						CTA-2	D	<u>5500</u> 2000
						CTA-3	D	<u>5500</u> 2000
						CTA-4	D	<u>5500</u> 2500
						CTA-5	D	<u>5500</u> 2500
						CTA-6	D	<u>5500</u> 3000
						CTA-7	D	<u>5500</u> 3500
						CTA-8	D	<u>5500</u> 3500
